The Signature Detail - £950

We call our most premium detail package The Signature Detail because it matched the exacting standards we apply to our own supercar fleet. Designed to transform your car aesthetically, giving it a better than new finish with care given to the full exterior of the car, interior and the engine bay.

Our professional detailers are highly skilled with specialist training to ensure your car is handled with care.

Paint defects can be caused by applying an inappropriate wash process. At Signature Car Hire the detail process is undertaken with the utmost care and follows a strict methodical approach to treating your car. This helps us eliminate further damage or defects occurring to the paint.

The Signature Detail package is designed to go beyond expectations of paint correction, regardless of what condition the paint is in to start with. We cut using state of the art machines with only the very best compounds available in the market. This, combined with a highly trained team of detailers will ensure you will be amazed with the results. We provide protection to the paint for longevity as well as leaving you a crisp shine. We also apply protection to interior carpets to repel liquids if a spillage should occur.

Exterior Detail - £650

The Signature Exterior Detail is designed to go beyond the expectations of paint correction, regardless of what state the paint is in to start off with. We cut using state of the art machines with only the very best compounds available in the market. This, combined with a highly trained team of detailers ensures you will be amazed with the results. We take pride in our work and ensure each car is treated in its own unique way to bring it to a very high standard of finish. All cars after paint correction are always treated with a rich carnauba based wax. Not only does this finish the look well but it also provides a much longer lasting protection making the maintenance of your vehicle easier.

Signature Interior Detail - £200

This package allows to us to give the interior our full attention in terms of bringing it back to better then new. As with the exterior, the interior is treated delicately and with utmost care. Leathers vary from car to car and if not handled correctly could result in scratching the leather and inducing new defects. We fully cleanse the leathers to remove all oils and previous product residue. This enables our product to adhere more permanently giving the leathers a long lasting protection and impressive finish.

All carpets are treated with a liquid repellent to assure you that should a spillage occur it won't penetrate into the carpet and consequently leave stains.

Attention is also given to all trims inside the car and glass surfaces are polished to a high specification. The car will only be given back to you, once we have it looking, smelling and feeling fresh.

Process:

- All litter removed
- All personal belongings taken out and kept safe
- Vacuum
- Seats: - All previous products stripped off safely
 - Seats then cleaned
 - Seats conditioned
 - Also applies to door cards if they are leather

- Glass polished
- Carpets treated to be spill proof (i.e. the carpets will be safe if you drop anything on it. i.e.; water, food, liquids etc)

Signature Engine Detail - £150

The Signature Engine Detail is designed to fully deep clean your car's engine, giving it a show ready finish. Often, engines are left neglected and can look dull over a period of time. What we aim to do is to fully rejuvenate the engine bay by a full deep wash and degrease to remove all stains, dirt, grease and grime.

We go one step further by applying a rich carnauba wax to all painted surfaces under the bonnet to really make a difference and give your engine bay a true concours look. This will also allow you to maintain the bay, much easier.

Process:

- All debris removed
- Engine bay fully degreased
- Safely washed
- Dressed

Maintenance Wash - £55

If you have already had your car detailed but don't have time to maintain it then trust Signature to offer you a service that will maintain the look you have achieved. Book yourself in and we will give the car a maintenance wash the right way. We use a delicate wash process, using PH balanced chemicals, to really give your car that fresh detailed look every time.

By not correctly maintaining the paint work you run the risk of inducing new damages to the paint which in time will give the paintwork a poor finish, so it is always a good idea to have a maintenance contract in place; alternatively come in as you like to give your car a quick spruce up.

Exterior Process:

- Wheels and arches rinsed
- Wheels and arches washed using PH balanced wheel cleaner and wheel woolies
- Wheels and arches rinsed
- Car rinse down
- Snow foam
- Rinse
- Car washed with two bucket method, using long pile lambs wool mitt
- Car rinse down
- Towel dried inside the facility with plush drying towels and quick detailing spray
- Adding depth and gloss to the paint work
- Glass cleaned
- Tyres/arches dressed

Interior Process:

- Vacuum
- Wipe down of seats
- Glass cleaned

THE DIFFERENCE IS CLEAR

Compare the before and after pictures and you'll be amazed by the transformation a detail service can make to your car. Damage to fabrics and finishes can slowly occur over time making it difficult to appreciate how grime and dirt has built up. Take a close look at your car and consider bringing it back to showroom standard with one of Signature's detailing packages.
